

Object Metadata

```
graph LR; A[Object Metadata] --> B[Model]; B --> C[Kemungkinan 0 - 1];
```

A flowchart with three rectangular boxes connected by arrows. The first box on the left is labeled 'Object Metadata'. An arrow points from this box to a second box in the middle labeled 'Model'. Another arrow points from the 'Model' box to a third box on the right labeled 'Kemungkinan 0 - 1'. All boxes have a light blue fill and a purple border.
